## **Indian Culture Camp**

### Scholarship Program

**Camp Masala** is sponsored by International Child Advocacy Network (ICAN), a non-profit organization committed to educating families and children adopted from India. Camp Masala is an excellent resource for families, but we understand that it can be costly. ICAN has funds set aside to help families with a partial scholarship.

Partial scholarships are available in the amounts of \$100, \$200 and \$300. Scholarship awards are kept confidential and camp volunteers and counselors are not made aware of any family's financial situation.

Financial assistance is based on poverty level figures offered by the Department of Health and Human Services. If your family income is below \$46,000 (for a family of four) you could be eligible for a partial scholarship.

To be considered for a scholarship, families must provide the following:

1. One page written by the family explaining why they are interested in attending Camp Masala Indian Culture Camp.
2. Photocopy of the family's most current tax return cover page (IRS Form 1040 or 1040ez). If there have been any drastic changes in your financial status that you would like to explain, please do so.

You will be notified of the amount of your scholarship award within 1 month of your submission. Please submit the following information to:
